River Camac Flood Alleviation Scheme

Public Consultation Events

Events

Tuesday
28 June 2022

Civic Offices,
Clondalkin Village
(Located across from
The Mill Shopping Centre)

1pm to 8pm

Wednesday
29 June 2022

Richmond Barracks,
Inchicore

1pm to 8pm

Presentation times during both days:

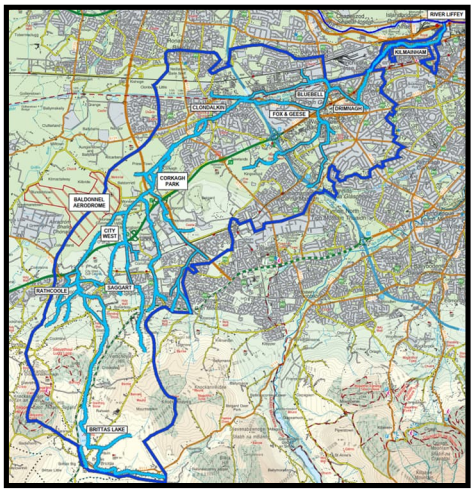
- 1:00pm
- 3.30pm
- 7:00pm

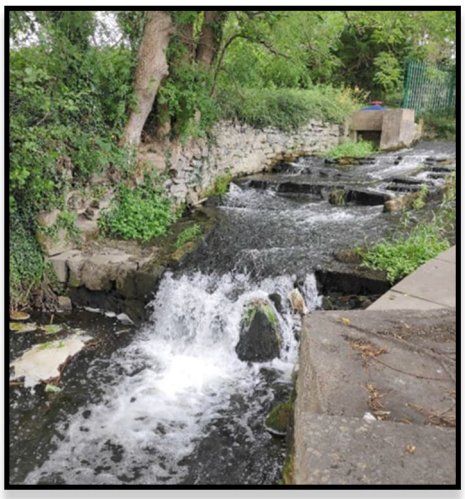
The River Camac FAS is currently exploring the options to help manage flood risk within the catchment and the Project Team will be giving an update on progress. AECOM, DCC (lead authority), SDCC and the OPW will be present to answer any queries you may have regarding the scheme.

AECOM will be presenting the draft flood extents and further details of some potential measures that have been identified to date to alleviate flooding across the catchment.

The purpose of these events are to gain your views on the options to ensure they are considered at the next stage of the project, which is the selection of the preferred option.

These events will be held face-to-face. The Project Team will be available throughout the day for a chat, just pop along anytime, or alternatively you can come along to hear a 30 minute presentation about the potential options at various times shown below across each day.





For further information or to raise any queries of interest please see the below project website and email address:
