1st December 2007

Dear Manager,

After some considerable thought following my recent meeting with Mr. Abe Jacob it is my intention to retire from the Council on December 24th 2007.

This decision has been brought forward owing to recent illness in my family as it was my intention to retire in the Spring.

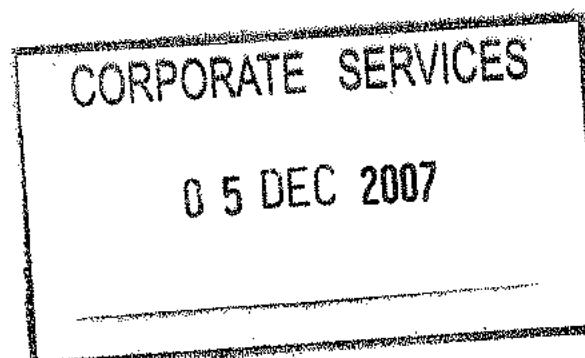

I wish to record my sincere thanks to all your staff for their courtesy and kindness to me during my twenty nine years in Local Government.

To the Councillors, what can I say, thank you for your friendship throughout the years, especially my friends on the Terenure Rathfarnham Ward.

I would like to say what a wonderful time I had serving the Community; it was a great honour to be part of Local Government.

May God bless you all in South Dublin County Council.

Very sincerely,
