Our Ref : C/ SL - 2008/28

23rd January 2008

Mr. Tom Doherty,
Director of Planning,
South Dublin County Council,
Planning Department,
Bonds & Contributions,
County Hall,
Tallaght,
DUBLIN 24.

Dear Mr. Doherty,

I refer to your recent letter in relation to 'Liffey Valley Park' Report. While the Office of Public Works facilitated the production of the report on the proposed Liffey Valley Linear Park, the implementation of steps to bring the Park into existence are a matter for the Local Authorities concerned and the Department of Environment, Heritage & Local Government.

The Office of Public Works acknowledge that we manage several State properties which might be integrated into such a Park and we would of course be happy to contribute to any plan being put in place to further the project.

We do not, however, feel that we are the right body to provide a coordinating role and would consider that such a role is more proper to the Local Authorities concerned.

Yours sincerely,

SUZANNE MITCHELL
PRIVATE SECRETARY
