28 February 2008

Re: Educate Together; Citywest area.

Dear Joan,

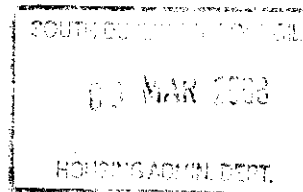

I refer to your letter dated 21 February 2008. Educate Together is currently assessing demand for Educate Together schools in future years and would be willing to work with South Dublin County Council and others to consider your proposal.

We would be interested in meeting Council members to discuss how this can be advanced. Please contact me to arrange a suitable date.

Yours sincerely,

Amy Mulvihill  
New Schools Officer  
Educate Together
