Dear Ms. Kelly

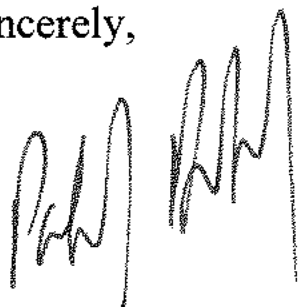

Tallaght Area Committee Meeting – 1st October 2007

I refer to your letter on behalf of the above Committee requesting the provision of a seat at the bus shelter at St. Maelruan's Park, Tallaght.

I regret to now advise that, unfortunately, in 2008 our supply of seats was delayed but rest assured all shelters will be retro-fitted with seats, path width allowing.

It is Dublin Bus policy to provide seating in all shelters providing the footpath is wide enough to allow ample room for pedestrians, wheelchair users and people with buggies etc. to pass comfortably.

Yours sincerely,

Paddy Doherty
