Alterations and extension of no. 1 & 2 Main Street Tallaght include:

- moving main entrance/reception from no. 1 to no. 2 and the provision of a ramp to front of no. 2 for equal access.
- the permanent combination of nos 1 & 2 by removal of individual stairs.
- demolition of 8sqm kitchen extension
- addition of a 67sqm two storey extension

Extension shaded in blue on drawings includes:

- an ambulant Disabled standard accessible staircase;
- on ground floor - a staff kitchen;
- on first floor - additional office space;
- two windows added to East facade of existing extension

Facade of existing houses to be preserved

New extension to be of modern crisp appearance in stark contrast with existing house. Insulated cladding, select colour to planning dept's approval, to be used on new extension and on pre-existing extension to improve thermal insulation and define new from old.

Interior layout of houses to be amended to allow optimum use of space.

New access ramp to main entrance to be lightweight painted steel to avoid any permanent alteration to the front of the house.

All new drainage to be separate foul or surface until reaching new manhole to rear where existing combined system continues.
