Tallaght Area Committee Meeting – 22nd February 2010

Dear Ms. Rooney,

I refer to your letter of March 2nd in relation to question submitted by Councillor D. Looney which was passed at the above meeting:

“To ask the Manager to make contact with Bus Átha Cliath to ask if they would consider facilitating residents in the Walkinstown and Greenhills areas access to St. James’ Hospital, through the extension of the 123 route, the provision of a feeder bus to the LUAS line, or some other option.?”

As you may be aware Dublin Bus is carrying out a full review of its network of services. An integral part of this review is the simplification of the network. While no final decisions have been made, the extension of route 123 is not emerging as a proposed alignment. However other options are being considered in the area and your proposals will be taken on board in this regard.

Yours sincerely,

Paddy Doherty,
Operations Manager.
