A chara

I refer to your recent letter to Éamon Ó Cuív T.D., Minister for Community, Rural & Gaeltacht Affairs on behalf of South Dublin County Council in relation to funding for community services in the Tallaght area.

This is just a short note to say that as this is a matter for Minister of State John Curran T.D., that I have forwarded your correspondence to him for his consideration and for direct reply to you.

Is mé, le meas
