Tallaght Area Committee Meeting – 22nd March 2010

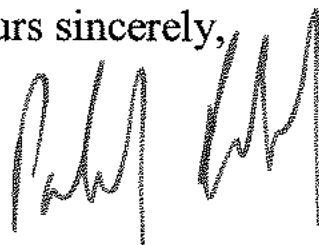

Dear Ms. Rooney,

I refer to your letter of March 25th in relation to question submitted by Councillor E. Walsh which was passed at the above meeting:

“To ask the Manager to write to Bus Átha Cliath and request a large bus shelter be installed on the old Blessington Road opposite St. Maelruain's Church. The area is used by students and staff from the Institute of Technology Tallaght and up to 30 people can gather there at peak times?”

We are currently in the process of conducting a network review and pending the completion of this review no decisions will be made regarding shelters in the near future. Also, you will appreciate that in this current economic climate, budgetary constraints will not allow for any further shelters to be erected at this moment in time. However, we will keep your letter on file.

Yours sincerely,

Paddy Doherty,
Operations Manager.
