Tallaght Area Committee Meeting – 26th April 2010

Dear Ms. Rooney,

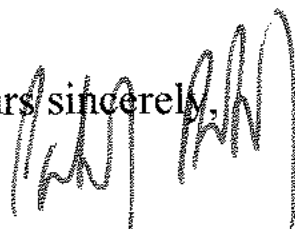

I refer to your letter of April 30th in relation to motion passed at the above meeting:

“That this Committee opposes any further reduction in the bus service within Tallaght, resulting from the proposed review of services by Dublin Bus”.

Dublin Bus has undertaken a full review of its network of services. A central part of this review has been an analysis of the identification of current and future demand patterns. The review will enable Dublin Bus better meet its customer's needs and in doing so deliver an improved service.

The Network Review is being implemented on a phased basis and the details of the proposals for the first three phases – Blanchardstown, Lucan and Stillorgan are available on the Dublin Bus website. Consultation with residents and representatives will take place as part of each phase.

Yours sincerely,

Paddy Doherty,
Operations Manager.
