Re: Proposals for Upgrade of N81

Dear Mr. Nevin

I refer to your letter of 8 July 2010 regarding the above.

In the light of the projected reductions in the level of funding available to the Authority and the Government's request to reduce the number of road schemes in planning, I regret to say that it is not proposed at this stage to commence the planning process for the section of the N81 between the M50 and the intersection with the R136 (Outer Ring Road). However, the situation will be kept under review.

Yours sincerely
