Dear Mr Curtin,

Thank you for your letter of 15th June in relation to question approved at the Rathfarnham Area Committee Meeting held on 8th June in relation to the 74 bus route.

Changes to services in the Ballycullen area will form part of a later stage of the Network Direct Project. We will announce proposals at that time and a full program of public consultation will commence then. In the meantime, we will take your concerns on board.

Yours sincerely,

**Paddy Doherty,
Operations Manager.**
