

6th October 2010

Mr. John Hayes
Station Manager
ESB Turlough Hill
Co. Wicklow

Our Ref: 24362

RE: Lucan/Clondalkin Area Committee Meeting of South Dublin
County Council held on 28th September 2010

Dear Mr. Hayes,

At the meeting of the Lucan/Clondalkin Area Committee held on the 28th September 2010 the following question was adopted and approved by the Members of the Area Committee:

“To ask the Manager to write to the ESB to request that a briefing be provided for the elected members of this Committee on matters relating to management and release of water from the Leixlip dam on the River Liffey including: the ESB's role and responsibilities under the Liffey Reservoir Act 1936 and subsequent legislation and the ESB's role in flood risk management along the River Liffey?”

I would be obliged for your comment and response as soon as possible to enable me to revert to the Committee.

Yours sincerely,

Noreen Fitzgibbon
Senior Staff Officer

RE: LUCAN / CLONDALKIN AREA COMMITTEE MEETING OF SOUTH DUBLIN COUNTY COUNCIL.

Dear Ms. Colgan,

Your letter of the 10th last refers as well as our telephone conversation of this p.m.

As outlined in our telephone conversation, we recently made a presentation to relevant staff at Dublin City Council, at which some representatives of the Office of Public Works attended. The presentation took about an hour with some discussion afterwards.

If required we can make a presentation to your group, with the duration being tailored to the time available.

Regards,

John Hayes.

P.S. I wonder if you can confirm that you received this e-mail – just in case that I didn't get your e-mail address correctly.

Thanks.
