held on 23rd November 2010

Dear Ms. Sweeney,

At the meeting of the Lucan Committee held on the 23rd November the following question was adopted and approved by the Members of the Area Committee:

“To ask the Manager to write to the HSE Local Health Manager to request details of the expected construction timeframe for the new residential facility currently under construction at St. Loman’s Road and to request details of the full ranges of services to be operated from this new facility?”

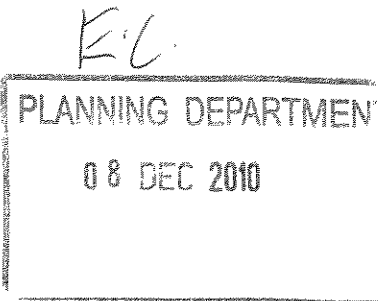

I would be obliged for your comment and response as soon as possible to enable me to revert to the Committee.

Yours sincerely,

RE: Your Ref: 25737.

Dear Ms Colgan

I refer to your letter of the 26th November 2010 to Ms Eimear Sweeney at the Health Service Executive, Cherry Orchard Hospital. Ms Sweeney has forwarded this to me for my response as Area Manager of the Dublin West/South West Mental Health Service.

The community residence currently under construction at St Loman's Road will be completed in August 2011. We envisage occupancy of this facility in October 2011.

This is a community residential house designed in three modules of 5, 5 and 7 bedroom houses. The Unit will provide support for people with recovering mental health needs who are in a transition phase towards more independent living.

Yours sincerely,

Antoinette Barry
Area Manager.
