Re: World Irish Dancing Championship

Dear John,

I refer to your letter of 28th November 2010 in relation to the completion of the Luas Citywest project.

Having discussed the matter with the Railway Procurement Agency, it is the case that, despite the best endeavours of all parties to expedite the completion of this project, the extension of this line to Saggart will not be open for public use prior to the start date of the World Irish Dancing Championship on 17th April 2011.

Yours sincerely,

Hugh Creegan,

Director of Transport Planning and Investment.
