**Additional Funding under the Restoration Improvement Programme**

Dear Director of Services,

I wish to refer to the Programme for Government 2011 and in particular to the Jobs Initiative announced yesterday by the Government.

Under this initiative, a further €60 million is being provided to County Councils under the Restoration Improvement Programme. The Department has requested the National Roads Authority to increase your Council's Restoration Improvement Grant on the PRS.

The detailed allocation to your Council is outlined in the attached sheet.

Yours sincerely,

Mary McCullagh  
Assistant Principal Officer
