**Re: Lucan Area Committee Meeting – 28 June 2011**

A Chara,

In relation to the question concerning the enforcement of the 3 tonne limit at Kennelsfort Road, I can state that for the year to date An Garda Síochána has conducted 48 checkpoints to detect breaches of these bye laws.

I am not in a position to quantify the exact number of HGVs that were stopped in the course of these checkpoints, however this is an initiative that receives constant attention.

Mise le meas,

John P. Quirke

Superintendent
