**RE: Clondalkin Area Committee Meeting of South Dublin County
Council held on 21st September 2011**

Dear Mr. Sullivan,

At the meeting of the Clondalkin Area Committee held on the 21st September 2011 the following motion was passed by the Members of the Area Committee:

“That this Committee requests the Manager to write to Tesco in relation to security access issues to Moyle Crescent. This is an ongoing issue for some time with a private house in Moyle Crescent. The resident has made contact with Tesco to try and resolve the problem however, there have been no replies from Tesco.”

Please note that the address to which the motion relates is 16 Moyle Crescent, Clondalkin, Dublin 22.

I would be obliged for your comment and response as soon as possible to enable me to revert to the Committee.

Yours sincerely,

Edel Colgan
Senior Staff Officer

Dear Edel

Sorry for the delay in reverting to you, I had to follow up with previous managers of Tesco Clondalkin to ascertain the history of this query.

I have made contact with the resident of 16 Moyle Crescent. The issue would appear to be that an angle bar holding some security wire had become detached from the gable wall of the store and the resident wanted it reattached. I have asked our store manager to instruct our maintenance contractor to carry out the necessary works.

The resident had not been in contact with the store in relation to this matter.

The last contact with this resident was some three years ago when increased security measures were put in place at the residents request.

Best regards
