To: Each Local Authority

A Chara,

I write to inform you that at the January 2012 Monthly Meeting of Limerick County Council, the following resolution was adopted and it was agreed to circulate it to all Local Authorities for support:

"That, Limerick County Council requests the Minister for the Environment, Community and Local Government to have all local authorities bring their sewerage treatment plants up to standards that comply with the Water Quality Directive in advance of enforcing the proposed septic tank legislation on Rural householders in our County, and that this Motion be circulated to our sister authorities nationwide for their support."

Is mise le meas,

**Eugene Griffin,
County Secretary.**
