Dear Mr. Curtin,

Thank you for your letter of 30<sup>th</sup> November following Tallaght Area Committee Meeting on 28<sup>th</sup> November where motion was approved to call upon Dublin Bus to erect a shelter at bus stop 6335 opposite Woodstown Shopping Centre.

I can confirm that it is on our work list for this year; we will shortly be applying for planning permission and if granted we would hope to have to have the shelter installed midyear.

Yours sincerely

Chief Executive.**
