Re: Car Registration System for 2013

Dear Minister Noonan,

I wish to inform you that at the September meeting of Leitrim County Council the Members unanimously passed the following resolution:

"That Leitrim County Council call on the Minister for Finance to consider meaningful changes to the car registration system for the 2013 year to ensure that the Motor Industry can avoid any further losses of jobs through poor car sales. The current system requires change as the 13 County Plate will have negative implications for many potential buyers. Finally we call on the Minister to consider introducing a 'cherished number plate system' which has the potential to raise significant revenue without affecting ordinary motorists. I ask that this motion be circulated to all local authorities."

I look forward to hearing from you in this regard.

Yours Sincerely,

**Shane Tiernan
Meetings Administrator**
