Re: Motion Passed at Meeting of South Dublin County Council

Dear Minister Noonan,

The following Motion was AGREED at the County Council meeting held on 16th April 2012:-

“That this Council calls on the Manager to actively engage with Kildare County Council, NAMA and the relevant government departments to examine if lands at Weston Airport can be acquired into public ownership; noting that it would be grossly unjust for a private party to gain ownership of this land for a price which represents only a small fraction of the costs incurred by the taxpayer in significantly writing-down the value of loans held against this land.”

I should be grateful for your comments at your earliest convenience.

Yours sincerely,

Mary Maguire,
Meetings Administrator,
Corporate Services Department.
