Dear Mr. Conlon

I refer to your letter of 25 October 2012 regarding post office services in the Walkinstown and Greenhills areas.

The Company is very conscious that the service provided to our customers in the Walkinstown (and Greenhills) area is, in certain respects, below the standard that we would wish to offer. For this reason we have, for some time, been actively seeking to explore options that would allow us to improve the service to our customers.

We are currently at an advanced stage in developing what we hope will be a viable option that would see the Walkinstown office being relocated to a far superior, and more secure premises and which would, we believe, greatly enhance the service for our customers.

Thank you for your interest in this matter.

Yours sincerely

Donal Connell
Chief Executive
