To each Local Authority.

A Chara,

I wish to advise you that at the January meeting of Ennis Town Council, the elected members discussed the following Notice of Motion :

"That this Council write to the TD's and Senators with constituency offices in the Ennis Town and request them to show solidarity with the hard pressed business community by paying the rates on their constituency offices."

The elected members were informed by the Town Clerk that constituency offices are exempt from commercial rates. During the discussion, the elected members stated that all TD's and Senators should be requested to make an annual financial contribution to their Local Authority towards the cost of the services provided to their constituency offices.

The elected members also requested that this matter be brought to the attention of the Minister for the Environment, Community & Local Government and all other Local Authorities.

Mise, le meas,

Leonard Cleary,
Town Clerk and
SEO Ennis Electoral Area.
