

Off-road option is desirable but seems undeliverable at present in its entirety. Project could be phased as land becomes available, but will be unlikely to secure funding on a phased basis. On-road option difficult to achieve; request input from Roads Dept

Town Centre section:
No practicable off-road option,
- on street works outside scope of permeability projects

Existing walking and cycling route in Clondalkin Park section funded by NTA

Upgrade of existing footpath within Corkagh Park desirable
