21 February 2013

RE: FUTURE OF WESTON AIRPORT, LUCAN.

Dear Mr. Curtin,

Further to our recent correspondences and including your kind invitation to attend a meeting of the Lucan Area Committee on 26 February I can now confirm that Weston Airport has been sold. The receivers who completed the sale are KPMG, 1 Stokes Place, St Stephen's Green, Dublin 2.

As this sale is now complete we have no relationship to this property and would not be of any assistance to your elected colleagues, in terms of any views or strategies for its current and future land use. In this regard and for your convenience, we will not attend next week's meeting.

As always please come back to me on any other planning matter which may be relevant to NAMA.

Yours sincerely,

Christopher McGarry,

Planning & Development Advisor,

NAMA.
