RE: Clondalkin Area Committee Meeting of South Dublin County Council held
on 21st November 2012

Dear Mr. Connell,

At the meeting of the Clondalkin Area Committee held on the 21st November 2012 the following motion was passed by the Members:

"That this Committee objects to the siting of the new bulk post box on Tower Road and asks the Manager to insist to whoever is responsible that it is relocated to a more suitable and discreet location."

I would be obliged for your comments and response as soon as possible to enable me to revert to the Committee.

Yours sincerely,

Edel Colgan

Dear Ms. Colgan,

Many thanks for your cooperation on this matter and apologies to the Committee for the delay in responding.

The box in question, at Tower Road, was placed at that location to service the business community in Clondalkin Village. The box, which is specifically designed to handle business post, needs to be in a location that is easily accessible to these customers. Moving to a more discreet location as indicated by the Council may prove difficult.

If the Council can suggest an alternative site we would be more than happy to investigate and see if it meets our criteria for the business customers who use it. If we remove the box completely those business customers would have to travel to the Post Office in the Mill Centre to dispose of their Meter mail.

I have attached some photographs for your information

Regards,

Angus Laverty
