Re: Supplementary Allocations for Housing Adaptation Grant Schemes for Older People and People with a Disability - 2013

Dear Director

It has been decided to release some funds from the contingency reserve to the Local Authorities that have written requesting supplementary funding for the Private House Grants. Your authority's original exchequer allocation for 2013 was €971,189. An additional €100,889 has been added bringing your exchequer funding to €1,072,078 (a combined exchequer and LA funding of €1,340,098).

Total expenditure by your authority on the grant schemes in 2013 should not, without the approval of this Department, exceed the amount allocated. Please ensure that claims for recoupment in respect of the grant schemes are submitted to Housing Grants Section in Ballina without delay, following payment of these grants by your local authority.
