At the monthly meeting of Louth County Council held on 15<sup>th</sup> April 2013 the following motion was considered and supported from Councillor P. McQuillan, seconded by Cllr. T. Sharkey:-

***This Council calls on the Minister for Environment, Community & Local Government Phil Hogan to empower and resource Local Authorities to effectively assess persons, on a case to case basis, who have left what was the family home owing to relationship breakdown, to clearly set out policy to deal with such applicants, and to set out mechanisms within this policy to allow for compassionate and psychological factors of persons to be part of the assessment processes.***

I trust you will give this matter your consideration.
