

Comhairle Chontae Loch Garman  
**Wexford County Council**

3<sup>rd</sup> October 2013.

A Chara,

Please see below motion which was unanimously agreed by Wexford County Council and for consideration by your Council. Can you please bring this motion to the attention of your Members.

**Proposed by Councillor G. Lawlor seconded by Councillor M. Kinsella:**

"That this Council endorses the principle of the right to water and sanitation as a fundamental core value within Irish society and this should be reflected as a central pillar in national water policy. As citizens of the EU we believe in the right of all inhabitants to enjoy this right and that we oppose any attempt to include water in legislation aimed at market liberalisation. This Council supports the call for the full national political commitment to ensuring that water and sanitation are publicly owned, democratically run and that all in the sector are fully accountable".

This motion was unanimously agreed by the Council. The Council also requested that this motion be circulated to all Local Authorities.
