**Re: Clondalkin Area Committee Meeting of South Dublin County Council held on
18th December 2013**

Dear Ms. Colgan,

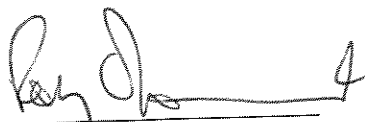

Thank you for your letter of 19 December 2013 regarding the Luas Park & Ride site at Red Cow.

The statement in your letter that the Park and Ride Site "has never been cleaned and there are various items of rubbish in the location" is incorrect.

Transdev, who operate Luas under contract to RPA, are responsible for the cleanliness of the system, including the Park & Ride sites. Following receipt of your letter, I requested Transdev to carry out an inspection of the Park & Ride site at Red Cow. This inspection was carried out on the morning of 24 December. As you can see from the attached photographs, the Park & Ride site is very clean, particularly considering the extreme weather experienced in the previous few days.

Transdev would be happy to meet with representatives of SDCC on site and to organise a walk around to discuss SDCC concerns. If you would like to have such a meeting, please let me know and I will get Transdev to contact you directly.

Yours sincerely,

Rory O'Connor
Acting Chief Executive
