Dear Mr Curtin,

Thank you for your letter dated 8th January regarding the opening of Kishogue Railway station. The current position with the station is that before opening the facility could be considered an access road and car park would need to be provided and no funds have been made available to Iarnród Éireann to carry out these works in the 2014 capital expenditure programme.

Unfortunately, therefore it is unlikely that Kishogue station will open in 2014.

Yours sincerely,

David Franks  
Chief Executive
