Re: Residents of Lucan and Palmerston on Live Register

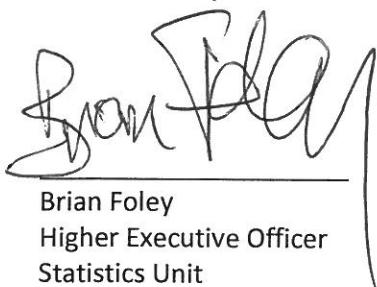

Dear Mr Curtin

I refer to your recent query in relation to the above matter.

Unfortunately, the information in relation to addresses is not ordinarily maintained within the Statistics Unit in the Department. Until such time as the new postal code system is introduced during 2015 we are unable to provide any data with any level of accuracy in relation to customers address details. We do, however, maintain accurate data at Local Office level in relation to occupation categories, age, gender, nationality etc. If I can assist in any other way please do not hesitate to contact me.

I am sorry that I cannot be of any assistance to you on this occasion.

Yours faithfully

Brian Foley
Higher Executive Officer
Statistics Unit
