RE: Clondalkin Area Committee Meeting of South Dublin County Council held
15th January 2014

Dear Mr. Scully,

At the meeting of the Clondalkin Area Committee held on the 15th January 2014 the following motion was passed:

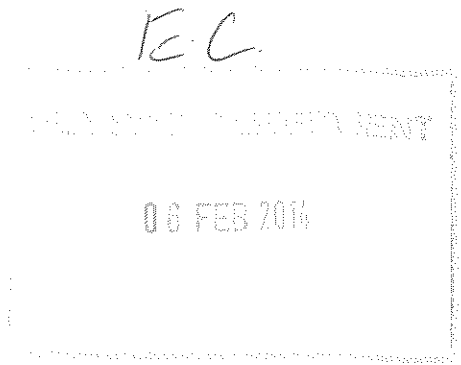

“That this Committee expresses deep concern re daily behavioural issues by a small element on the Luas Red Line and calls on the manager to engage with the relevant responsible parties to implement a permanent supervisory presence on its service to reassure the public and extends an invitation to Transdev Veolia to attend a future Clondalkin ACM to discuss”.

I would be obliged for your comments and response as soon as possible to enable me to revert to the Committee.

Yours sincerely,

Edel Colgan

Re: Clondalkin Area Committee Meeting of South Dublin County Council

Dear Edel,

I wish to acknowledge receipt of your letter of 23rd January.

Transdev would very much welcome the opportunity to discuss the issue of anti-social behaviour with the Clondalkin Area Committee and we would be happy to attend the next meeting of this forum to discuss the issues in detail.

Please advise details of when you would like us to attend and we will ensure that the appropriate personnel attend.

Yours sincerely,

Paul Scully
Operations Manager
