A Chara,

At a recent meeting of the members of Kerry County Council the following resolution was adopted:

" I am calling on the elected members of Kerry County Council to bring an end to all Political Parties holding Church gate collections in Kerry as currently there are massive sums of money paid directly by the state towards the running of all political parties each year and I object to the pressure and intimidation being put on Mass goers. Collections at Churches should be solely for charities, voluntary and sporting organisations who are financially struggling to survive and are far more deserving".

During the course of the discussion which followed, the members asked that this resolution be forwarded to each Local Authority to request the support of the members.

Your reply may be emailed to gobrien@kerrycoco.ie.

Yours sincerely,
