Dear Ms. Colgan

I refer to your communications concerning the request to reinstate a post box in the Boot Road area of Clondalkin in Dublin 22. Please accept my apologies for the delay in replying to you, our enquiries took longer than expected.

Following receipt of your letter, I asked the Operations Manager, Mr. John Kehoe to carry out a detailed assessment of the posting needs in the Clondalkin area.

There was a specific box on Boot Road itself which was removed many years ago and a new box was installed, at the time, at the junction of New Road and Saint Brigid's Road which is only 350 metres from the original site.

Mr. Kehoe reports that in this particular case we will not be providing additional boxes in the Boot Road area as referred to in your correspondence as there are two boxes in the Boot Road area. One, as referred to earlier, is on Saint Brigid's Road at the junction of New Road and the other post box is in Clondalkin Village.

Mr. Kehoe also reports that there have been no reported capacity issues at either of the existing post boxes. Whilst the current post boxes are deemed sufficient for the posting needs of the immediate area, Mr. Kehoe informs me that the matter will be kept under review.

I trust my letter explains the position. If I can be of further assistance, please do not hesitate to contact me.

Yours sincerely

Donal Connell
Chief Executive
