Re: Motion Passed at Meeting of South Dublin County Council (M30/1214)

Dear Minister Kelly,

The following motion was **MOVED** without debate at the meeting of South Dublin County Council held on 8th December 2014:-

“This Council notes the important contribution that the Women’s Support Networks and Travellers Development Projects make to communities across South Dublin. We also note that due to the uncertainty regarding funding beyond April/May 2015 these projects are being forced to put their staff on protective notice and their future is now in doubt. We call on Minister for the Environment Alan Kelly to meet with representatives of both of these organisations as a matter of urgency to resolve their long term funding so that they can continue their very important work.”

I should be grateful for your comments at your earliest convenience.

Yours sincerely,

Tom O’Neill,
Meetings Administrator,
Corporate Services Department.
