RE: Clondalkin Area Committee Meeting of South Dublin County Council held on 21st January 2015

Dear Mr. Ternsjö,

At the meeting of the Clondalkin Area Committee held on the 21st January 2015 the following motion was passed by the Members:

“That this Committee agrees that the Council write to the major mobile phone providers (Vodafone, O2, Meteor, Three, Tesco, 48 Months) asking that they expand the quality of their network coverage in Newcastle, Rathcoole, Saggart & Brittas.”

I would be obliged for your comments and response as soon as possible to enable me to revert to the Committee.

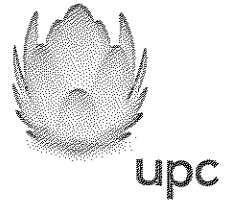

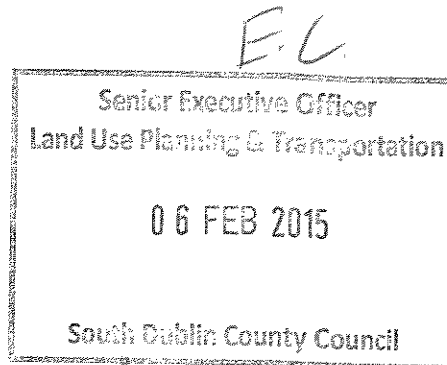

Yours sincerely,

Dear Ms Colgan

I refer to your letter of 29th January 2015 and the motion passed by the members of the Clondalkin Area Committee in relation to network coverage quality provided by mobile phone operators.

UPC provides Television, Broadband and Telephony services to our customers. Any future mobile offering from UPC will be over the Three mobile network as UPC does not operate its own mobile network.

Yours sincerely
