RE: Clondalkin Area Committee Meeting of South Dublin County Council held on 21st January 2015

Dear Ms. O'Leary,

At the meeting of the Clondalkin Area Committee held on the 21st January 2015 the following motion was passed by the Members:

"That this Committee agrees that the Council write to the major mobile phone providers (Vodafone, O2, Meteor, Three, Tesco, 48 Months) asking that they expand the quality of their network coverage in Newcastle, Rathcoole, Saggart & Brittas."

I would be obliged for your comments and response as soon as possible to enable me to revert to the Committee.

Yours sincerely,

Edel Colgan
Senior Staff Officer

Dear Edel

I write in response to your letter to Anne O Leary in relation to Vodafone coverage in Brittas, Newcastle, Saggart and Rathcoole.

Vodafone are investing in their mobile network nationally through upgrading works and the introduction of advanced 4G technology. Vodafone has invested over €200ml in network upgrade works across the country and in terms of 4G Vodafone now have 90% coverage in Ireland.

Specifically in relation to the areas mentioned we would highlight that our network refresh plans being rolled out in 2015 will see further improvements:

Area	2G Coverage	3G Coverage	4G Coverage	Network refresh programme
Newcastle	Good	Good	Good	Existing Dublin Phase2 site to be refreshed, further improving 3G coverage
Saggart	Good	Medium	Poor	Existing Dublin Phase1 site to be refreshed, further improving 3G coverage and New 4G coverage
Rathcoole	Good	Good	Medium	Existing Dublin Phase3 site to be refreshed, further improving 4G coverage
Brittas	Good	Poor	Poor	Existing Dublin Phase3 site to be refreshed, further improving 3G coverage, rural area, no 4G improvements planned

Please don't hesitate to contact me if you need further information.

Best Wishes

Gary Healy
