At the meeting of the Clondalkin Area Committee held on the 18th February 2015 the following motion was passed by the Members of the Area Committee:

“Following the funding cut of 6.5% to the National Traveller Partnership (14 Traveller Projects and 3 National) that will have major implications on all the projects remaining open and also to the Traveller community and the supports that is given. This committee asks that the Minister for Local Government Alan Kelly be written to and asked to stop these cuts.”
