Dear Ms Reilly,

Thank you for your letter dated 7th April 2015 regarding the provision of a bus service from Lucan via Clondalkin Village to Tallaght Hospital.

Dublin Bus currently operates the routes 76/76A which connects Clondalkin Village with Tallaght Hospital.

Orbital routes such as the above are extremely costly to operate and in our experience the level of customer patronage is often very poor. Dublin Bus currently is not in a position to allocate any additional resources to such a proposal.

Yours sincerely,

Paddy Doherty,
Chief Executive.
