Re: Notice of Motion – Offaly County Council

A Chara

At a recent meeting of Offaly County Council, the members passed the following resolution and I was directed to forward same to all local authorities for your consideration.

"Offaly County Council calls on the Minister for Education to introduce as a matter of urgency, a module in National Schools throughout Ireland which would make it compulsory to teach mindfulness and coping mechanisms as part of the school curriculum for all Primary Children and that the necessary teacher training is provided."
