Dear Sir/Madam

I write on behalf of the membership of the Environment Public Realm and Climate Change Strategic Policy Committee who at their recent meeting considered the following motion referred to it by the Elected members of South Dublin County Council:

***“That this Council, noting the high levels of litter resultant from green, brown and black bins blowing over in windy conditions, seeks to enforce a requirement for all companies involved in bin collection to provide devices or mechanisms to keep bins closed even in the case of falling, and for such a requirement to be implemented via the Environment SPC”.***

I would be grateful for your comments.

Yours sincerely,

Mary Maguire,  
Senior Executive Officer,
