28th November 2016

I would like to take this opportunity to congratulate **South Dublin County Council** in winning the Health & Wellbeing Award at the prestigious Chambers Ireland Excellence in Local Government Awards.

It is great to see such teamwork, effort and huge commitment rewarded. It gives further motivation and recognition to strive better and further for all. Your success sets a fine example for others to follow and aspire to reach.

Best of Luck in the future,

Senator Robbie Gallagher
