Dear Cllr. O'Connell,

At the December monthly meeting of the Council the members passed the following resolution:

“In light of the Local Government Reform Act 2014 which envisaged increased participation by elected Councillors in the formulation and delivery of public services, that the AILG and LAMA seek both ministerial and legal clarification on the operation of the Data Protection Acts whereby Councillors are inhibited from the proper discharge of their responsibility in accordance with their mandate.”

The Council would appreciate a reply in due course.

Yours sincerely,
