

Mr Hugh Creedan
National Transport Authority
Harcourt Lane,
Dublin 1

15th March 2015

Dear Minister,

At the January Lucan Area Committee Meeting, the members agreed a motion to write to you as follows:

"That this Area Committee, noting the successful commencement of rail services using the Phoenix Park Tunnel, calls on the National Transport Authority and Irish Rail to:

- Outline a timeline for the opening of Kishogue station;
- Provide enhanced lighting and CCTV at Adamstown station and car park to improve public safety."

This request for action has also been sent to the Irish Rail. Your early reply would be appreciated. I attach your earlier reply in June 2016 for your information.

Yours sincerely

Barbara Reilly
