February 2017

Dear Ms O'Reilly,

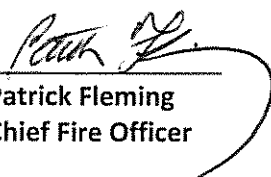

I wish to acknowledge receipt of your letter dated the 16th February 2017 with regard to the adopted motion.

"This committee supports the retention of the delivery of Dublin's Ambulance Service from the Dublin Fire Brigade call centre".

Issues relating to the provision of Dublin Fire Brigade's Emergency Ambulance Service including the East Regional Communications Centre (ERCC) are now the subject of an industrial relations dispute. I hope discussions will lead to a resolution as soon as possible.

I will keep you informed of any progress and specifically when a resolution is reached.

Yours sincerely,

Patrick Fleming
Chief Fire Officer
