Sports Capital Grant Projects:

A number of projects are being delivered via the Sports Capital Grants programme which result in the delivery of recreational facilities within public open space; usually in conjunction with local

sports clubs. Their continued delivery is subject to funding being available both in terms of sports capital grants and the clubs own funding.

The projects currently in progress under the 2015-2017 scheme are listed below:

- Upgrade of 2 No. Sports pitches in Tymon Park to sand-based grass pitches
- Upgrade of Athletics track at Lucan
- Provision of All Weather Pitch at Lucan

A further 11 applications for Sports Capital Grant funding have been submitted in 2017 and the Council will await the decision(s) regarding this round of funding.

MAJOR FLOOD ALLEVIATION SCHEMES; ROLLING PROGRAMME:

Location	Project	Budget / Estimate 2017
Ballycullen Flood Alleviation Scheme	Clonmel Enterprise Ltd has been appointed contractor for the Ballycullen stream flood alleviation scheme. SDCC have had a meeting with the contractor and works in relation to the programme, traffic management and the procurement of materials are under way. The contractor will be on site in February.	€1,600,000
The Poddle Flood Alleviation Scheme	This scheme involves work in SDCC and DCC. It is being led by SDCC with input from DCC and the OPW. The tender to appoint consultants using a framework is being run by Dublin City Council. The tender documentation is now complete and has received approval from the Procurement Section in Dublin City Council, this will go to the market shortly.	TBC
The Camac Flood Alleviation Scheme	The Camac CFRAMS did not show a cost beneficial option for the river in its entirety. SDCC are currently reviewing the options and working with the OPW to look at individual flood cell which we hope to progress on an individual basis.	TBC
Whitechurch Flood Alleviation Scheme	South Dublin County Council have written to the OPW seeking funding to progress the Whitechurch stream scheme as described in the Dodder CFRAMS. A brief for consultants is currently being drafted.	TBC
TOTAL		€TBC
