Ms Edwina Leonard
Staff Officer
South Dublin County Council
County Hall
Tallaght
Dublin 24

21st March 2017

Dear Ms Leonard

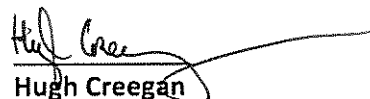

Your recent letter to Dublin Bus on behalf of the members of the Tallaght Area Committee concerning the provision of additional bus shelters in Tallaght. Your letter has been passed to the National Transport Authority (NTA) for attention.

The NTA has been given statutory responsibility for the provision of bus shelters nationally. In exercise of that responsibility the NTA has now taken over the management of the bus shelter network in Dublin from Dublin Bus.

The demand for bus shelters nationally far exceeds the limited funding available annually. In this regard the funding that is provided is required to ensure the replacement of older bus shelters as well as the installation of new shelters.

The NTA will take into consideration the request of the members of Tallaght Area Committee in the development of this year's bus shelter programme. However, it would greatly assist the NTA's consideration of the matter if South Dublin County Council could identify a small number of suitable locations for additional bus shelters in the area.

Yours sincerely

Hugh Creegan
Deputy Chief Executive
