Provision of free car parking at hospital.

At the Lucan Area Committee, the following motion was passed by the members:-

"That this Area committee write to the management of Tallaght Hospital, St James Hospital and Connolly Hospital, Blanchardstown to ask that every effort is made to ensure free car-parking is provided for cancer patients or a designated family member or carer during their treatment."

Any replies will be circulated to all elected members of the committee. Your early response would be appreciated.
